Bids Asked For School Additions

Bids for 20 classrooms additions at five Torrance elementary schools will be sought, with bids to be awarded on July 31, the Torrance Board of Education decided Tuesday night.

Four classrooms each will be built at Anza, Arlington, Lincoln, Newton, and Sepulveda Schools, to house the growing student population there. Final plans prepared by Architect

At the same time, the board approved a resolution seeking allocation for funds for 10 elementary schools additions and the first units of the new Victor School. These steps are necessary before the work can begin on the schools.

Additions would be built at Anza, Carr, Flavian, Meadow Park, Crenshaw, Magruder, Adams, Perry, Riviera, and Jefferson Schools and at the school district offices. Estimated cost of the work would be \$1,960,000.

The board was informed that square foot costs are rising generally and that the state has increased its allowances for school construction by about five per cent.

HOUSING SHORTAGE GROWS: PROFITS FOR VACANT LOT OWNERS

Rental Houses Yield 3 Times Greater Return Than Next Best Investment, Say Experts

A recent evaluation of the investment market shows that owning a home for the purpose of renting it out for income, returns the owner 15% profit (if self managed)—approximately three times the return on money invested in stocks and bonds.

And, the beauty of rental property is that anyone earning \$400.00 per month or more can become a landlord and enjoy the benefits of additional income.

If you own a "lazy lot"—vacant lot or oversize backyard that costs you money in taxes and maintenance, you can put a second home on the front or back of your property; a single or multiple unit on your vacant lot and start enjoying added income right now.

Harmony Homes, leading Southern California "on-lot" builders, will advise you on the possibility of your building a home for income occupancy.

Harmony Homes, builders over 7000 homes, with 18 offices throughout Southern California, are the only "on-lot" builders: 1. offering written money back guarantee on every home they build, 2. granted indemnity agreements by every major title company in the area, 3. with a rigidly enforced quality control system. Harmony Homes bid quality 2 and 3-bedroom homes ranging in price from \$4240 to \$8245 with 100% financing available depending on mel and area.

Call Harmony Homes at A. 6-7443 or SP. 5-1865 and discuss your situation with a qualified building consultant, or drop in at Harmony Homes, 23223 Arlington Ave., Torrance, today.
